

Hungry?

...almost finished!

Observations...

**People want Frameworks and Packaging
*...also for Secretaries!***

“Debugging is not for Production Servers!”

Chris Wallace likes Meccano

“Every Byte You Waste is One too Much!”

***“I would do it again”
“Im Still Here”***

eXist is not a database!

It is now an
Application Server
(with an XML database).

Finally...

- Thanks
 - To all the speakers.
 - To everyone who has attended today.
 - James Fuller for organising tonight's dinner :-)
 - XML Prague for their kindness over the years to the eXist team.
 - The Educational Institute for hosting us today.

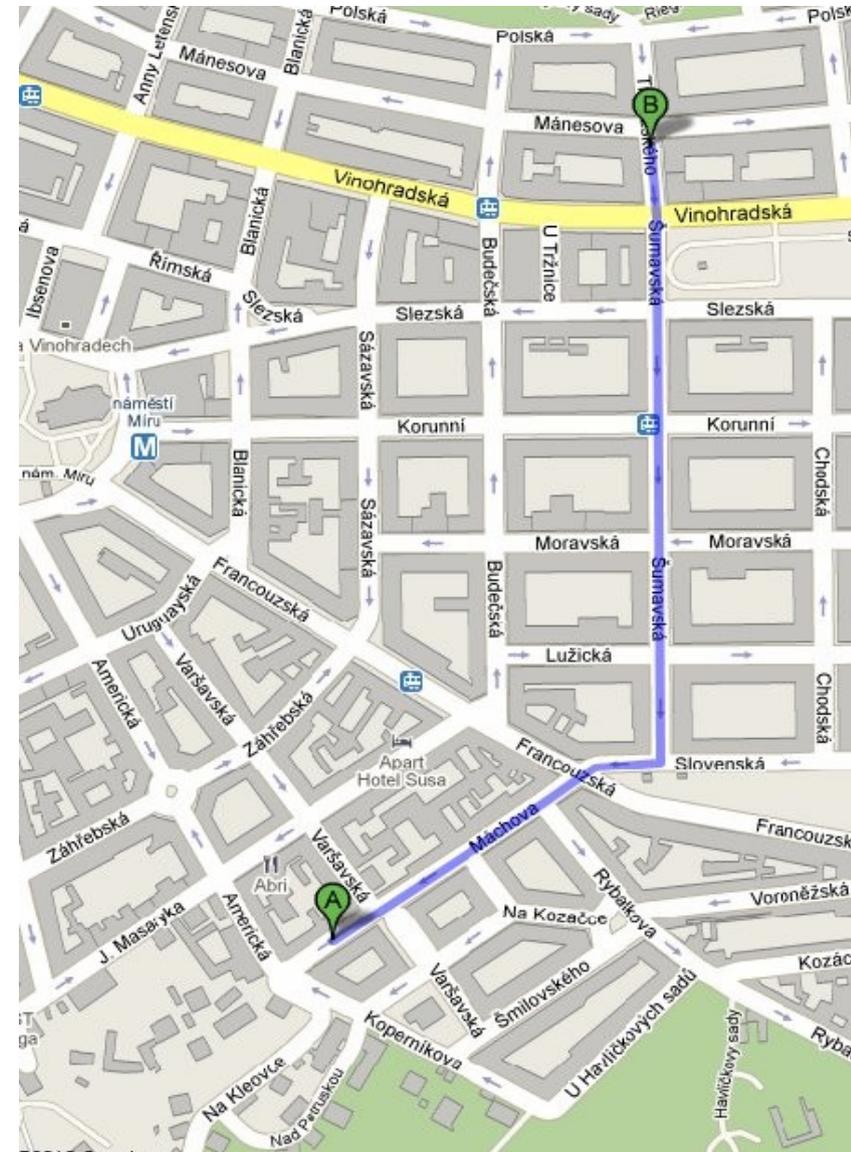

Tonight

- eXist-db Dinner (and Beer?)
 - 19:00
 - @ U Básníka pánve
 - Mánesova 62
